Division 3 Team Projections	90

Introduction

Fans & Readers:

Thank you for coming back another year and reading what is officially the 16th Annual Boro Fan Almanac. It goes without saying, but this is served as a prediction report. As you may or may not know, I release weekly rankings on my website, borofanohio.net, and have been doing so since 2011. When reading the report, please remember that I have not seen every result. Also, when reading the report, keep in mind that head-to-head results do count, but the overall rankings are amongst “the field” and not focused on one particular head-to-head win/loss. I hope that you guys enjoy reading this as much as I do in putting it together. Thank you for the continuous support and attention that you guys show for The Almanac and website year in and year out, it means a lot. Remember to follow me on X/Twitter @BoroFan_OH_WRST. It seems as though we are getting ready to witness another great postseason in OHSAA Wrestling. Hope everyone enjoys!

Yours in Wrestling,

Billy Schaefer

Statistics

Projected State Placers (Ranked Top 8 and Finished Top 8)

	Division 1	Division 2	Division 3	Overall
